# UCCI Institutes - Overview

## UCCI Institute - Basics:

1. **Three full days** of collaborative course development.
2. Each team creates **one course**.
3. Teams are made up of **6 - 8 individuals**, with a **balance between CTE and academic** teachers.
4. Teamwork is **led by trained facilitators** (recruited and trained by UCCI) and **assisted by content advisors** (recruited and trained by UCCI) .

# UCCI Institutes - Overview

## UCCI Institute - Process:

1. **UCCI Institutes Online Application** - **Must** be completed by **all potential participants** (open 3 - 4 months prior to Institute)
2. **Applicant Evaluation**. (six weeks prior to Institute)
3. **Participant Acceptance/Denials Sent** (one month prior to Institute)
4. **Registration** (open until approximately two weeks prior to Institute) .

# UCCI Institutes - Overview

## UCCI Institute - Quick Cost Breakdown:

1. **Teacher stipends/pay** (requestor pays)
2. **Breakfast/morning refreshments, if desired** (requestor pays)
3. **Substitute teacher pay, if applicable** (requestor pays)
4. **UCCI staff & facilitator content advisor travel** (UCCI pays)
5. **Working lunch for each of the three days** (UCCI pays)

# Panel

**Jillian Johnson-Sharp**

Coordinator, Curriculum &  
Instruction  
OCDE

**Brian Donnelly**

Executive Director, OC  
Pathways  
OCDE

**Jean McGlaughlin-Blatter**

Articulation and Extended  
Learning Coordinator  
LAUSD Linked Learning

**Dane White**

Agriculture Teacher  
Galt High School

# UCCI Institute - Goals

**Linked Learning Pathways to the Baccalaureate Project (LLPB)**-  
English ("b"), Math ("c"), Science ("d") and History ("a") integrated  
with Energy, Environment and Utilities (four teams | four courses)

**California Agricultural Teachers Association (CATA)** - Three  
Agricultural Science courses integrated with UC Laboratory  
Science ("d") requirements (three teams | three courses)

# UCCI Institute - Goals

## Orange County Department of Education (OCDE) -

- a. Create courses that **reinforce that Career Education is for ALL students**
- b. Create more **opportunities for students to participate in Academy/CTE Program** of Study while also **meeting their “a-g” requirements**
- d. **Promote collaboration** between high school/CCC academic/CTE instructors.
- e. Demonstrate that integrated courses are a way of incorporating and **achieving Common Core, P21 and College & Career Readiness** in one move! (six teams | six courses)

# UCCI Institute - Time Commitment

- **LLPB** - 5 months of planning, minus Thanksgiving and Winter Break (“felt like enough time”)
- **CATA** - 9 months (“probably needed a year”)
- **OCDE** - 3 - 4 months (“doable, but 6 months would have been better”)

# UCCI Cost to LLPB

## Just under \$38,000

- 12 **USD instructor stipends** at \$1,365 each
- 4 **CCC instructor stipends** at \$1,680 each
- 1 **CSU instructor stipend** at \$2,100 each
- 2 Remote **Content Advisors** at \$200 each
- 1 **Content Advisor + travel expenses** at \$860.95 each\*
- 3 UCCI **facilitators + travel expenses** of varying cost totaling \$4,712.46\*
- 1 **substitute for 1 UCCI facilitator** at \$740.25
- 3 days **breakfast** \$500

\*These costs will be covered by UCCI in fiscal year 2015 - 16.

# UCCI Cost to OCDE

Just under \$38,000

➤	<b>Subs</b>	\$16,350
➤	<b>Stipends</b>	\$15,300
➤	<b>Food</b>	\$889.04
➤	<b>Supplies</b>	\$171.48
➤	<b>Room Rental</b>	\$3,900
➤	<b>Facilities</b>	\$100

# UCCI Cost to CATA

Approximately \$3,000

- **Travel and hotels** for participants

# Institute Outcomes - OCDE

## Three of six courses approved:

1. "Physics and Engineering: Motion by Design" - **Lab Science ("d") with Energy, Environment and Utilities**
2. "Applied Math and Engineering " - **Math ("c") with Engineering and Architecture**
3. "The Technology of Biology" - **Lab Science ("b") with Biotechnology**

## Three are close to being completed:

- a. English ("b") with Digital Media Arts
- b. Math ("c") with Health Science
- c. History ("a") with Engineering and Architecture

# Institute Outcomes - LLPB

## Two of four courses approved:

1. “My Voice Creates My World” - **History/Social Science (“a”) with Energy, Environment and Utilities**
2. “English 12: Agriculture and Entrepreneurship” - **English (“b”) with Business/Agriculture**

## One is this close → ← to being completed:

### a. Math (“c”) with Engineering and Architecture

Remaining course: Lab Science (“d”) with Energy, Environment and Utilities will require re-convening of team due to attrition just prior to the start of the Institute.

# Institute Outcomes - CATA

## Three of three courses approved:

1. "Sustainable Agriculture" - Lab Science - Biology ("d") with Agriculture and Natural Resources
2. "Agriculture and Soil Chemistry" - Lab Science - Chemistry ("d") with Agriculture and Natural Resources
3. "Agriscience Systems Management" - Lab Science - "Interdisciplinary" ("d") with Agriculture and Natural Resources

# Thank You!

**Jillian Johnson-Sharp**
