

UCCI Conference Program

at San Diego State University

9:00–9:45 am | Registration

Templo Mayor

10:00–10:20 am | UCCI Overview

Templo Mayor

- ★ UCCI Program Manager Sarah Fidelibus will discuss the ways UCCI helps high schools, and their educators, develop and implement integrated courses that unite academic study with Career Technical Education (CTE).

10:20–10:30 am | Quick Break / Travel Time

10:30 am–12:00 pm | Morning Breakout Sessions:

Three Options

Implementing Integrated Courses

- ★ All session leaders will share how they balance the academic and CTE instruction, what they did to prepare to teach these courses, and the successes they've achieved and challenges they've encountered along the way.

Choose to attend one of the following breakouts:

- In *Aztlan 230A*: **Forensic Biology**
- In *Metzli 230B*: **Geometry + Computer Visualization / Simulation**
- In *Tehuanco–Room 212*: **Spanish 4 for Patient Care ¡ Soccoro!**

12:00–12:45 pm | Lunch

Templo Mayor

12:45–1:00 pm | Quick Break / Travel Time

1:00–2:30 pm | Afternoon Breakout Sessions:

Two Options

Leading Integrated Curriculum Work

- ★ In *Aztlan 230A*: **Workshop on Designing Integrated Courses**
 - Learn all aspects of UCCI-style integrated course development, from how to create an "identity" for your course and how to engage faculty in this work to how to write the course for "a-g" designation.
- ★ In *Tehuanco–Room 212*: **Presentation on Developing Instructional Materials for UCCI courses**
 - Learn different approaches to developing resources for UCCI courses while previewing the new materials for **Chemistry and Environmental Engineering: Water We Doing** and **Constructing Algebra 2**.
